FOREST FIRE WARDEN'S REPORT

The year 1944 ended with comparatively few forest fires and none of these of a really serious nature.

The actual fire loss was very low compared to the loss in other areas.

This good record is due to the splendid cooperation of the Public in this district, very few violations were reported and the most of these were unintentional.

This cooperation with your Forest Fire Warden can be made 100% this coming year if the Public will kindly consult the laws contained in the Public Laws, Chapter 191, pertaining to Forest Fire Permit Law.

Kindly bear in mind that no persons shall kindle a fire or burn any material in or near woodlands, pastures, brush, sprout waste or cut over lands, or where fire may be communicated to such land, except when the ground is covered with snow, without the written permission of the Forest Fire Warden, or the presence of the Warden or person designated to superintend such burning.

There are more laws pertaining to Forest Fires which will be furnished by your Warden upon request.

Kindly bear in mind that 1945 will be a dangerous year. Although Bristol is well supplied with Forest Fire equipment; due to the lack of man-power, you are urged to use the greatest caution as well as consulting your Warden, or the Forest Fire Permit Law, before starting any fires.

I wish to thank the Public in my area for their co-operation this past year and request that you continue your efficient support during the year 1945.

ALFRED M. PAYNE,
Forest Fire Warden.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.

2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.

3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.

4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.

5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.

KEEP NEW HAMPSHIRE GREEN.

MINOT-SLEEPER LIBRARY—REPORT OF TRUSTEES

Minot-Sleeper Library has this year suffered a great loss in the passing of Miss Mary D. Musgrove who in her eighteen years as trustee gave unreservedly of her time and efforts in the interest of the Library and its patrons. As chairman of the book committee for many years she exhibited excellent judgment in the selection and purchase of books and periodicals.

Miss Mary Rogers has continued to fill the office of librarian with her usual efficiency and courtesy. Since May 1 Mrs. Anne Willman has been serving as assistant librarian, in which capacity she has given valuable aid in the classifying and cataloging of new books and repairing old ones. She has been on duty at the desk during the supper hour and at other times in the absence of the librarian. This has made possible the continuous open hours from 1 to 9 p. m., which change in schedule is appreciated by many of our readers.

Many new books have been added to our shelves and others are on order but delayed publications due to paper shortage are a handicap this year as last.

A Memorial Bookshelf has been opened in the Library and already has a number of books given by persons who wish in this way to keep in memory the name of a friend or member of the community. Appropriate labels are placed in these books and they are circulated as any other books.

The Minnie Maria Day-Jackman fund continues to supply the reading room with the leading magazines and from time to time the purchase of new reference books.

Mrs. Margaret S. Whipple has been appointed by the Selectmen to fill the unexpired term of Miss Musgrove.

It is the earnest desire of the trustees to conduct the management of the Library in a manner which will best

serve the people of Bristol and vicinity and they will be glad to give consideration to any suggestions.

The Librarian reports the circulation as follows :
